

Booster Shots

Now Available on Cheyenne River for all FDA Authorized Vaccines

Thursday, Oct 21, 2021, the FDA authorized booster doses of the COVID-19 vaccines from Moderna and Janssen/Johnson & Johnson. Booster doses were previously authorized for the Pfizer vaccine.

Due to high infection rates and other underlying factors such as large household size CRST Field Health is Recommending that ALL Fully vaccinated persons on the Reservation who are 18+ and meet the eligibility requirements below receive the booster shot.

People who received two doses of COVID-19 vaccine from either Pfizer or Moderna

- A single COVID-19 vaccine booster dose is recommended for individuals who received two doses of the Pfizer or Moderna vaccine at least 6 months ago.

People who received one dose of the Janssen/Johnson & Johnson COVID-19 vaccine

- Additionally, boosters are now authorized for all people 18 years and older who received the Janssen/Johnson & Johnson COVID-19 vaccine at least two months ago.

Walk in vaccination is available at the Eagle Butte IHS for all reservation residents, free of charge regardless of Tribal Membership no appointment necessary.

Monday—Thursday, 8:00 AM to 8:00 PM
